

# CREATING AN EVEN GREATER WHOLE

*Becoming an Emotionally Intelligent Leader*

**Creating an EVEN Greater Whole: Becoming an Emotionally Intelligent Leader offers a fresh perspective and practical tools for people to learn how to use their Emotional Intelligence to manage change and create positive, inclusive workplaces. Emphasis is placed on best practices that motivate high performing teams and maintain high employee retention rates.**

## Quotes from Early Readers

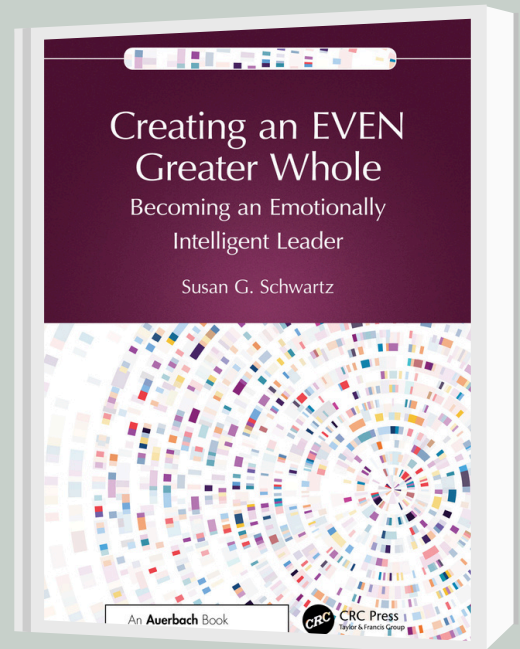

*"Susan invites us to dive into fearless conversations about leadership. This book is the veritable middle ground between theory and practice. Susan's expertise and knowledge reaches its pinnacle in her book where you get to understand and practice your emotionally intelligent skills. This is a must read for anyone who wants to lead effectively."*

—Naïs Mouret, Global Leadership Advisor & Emotional Intelligence Consultant

*"Emotional Intelligence is critical for good, effective, leadership. When reading the book, you feel like Susan is talking to you as she creates an emotional environment with safe empathic vulnerability."*

—Ashok Bhattacharya, MD, FRCP, Founder of the Empathy Clinic

**Susan Schwartz, MS, PMP** is President and lead consultant at the River Birch Group. Susan's international executive experience drives her passion to assure technically expert professionals succeed as they transition into management and leadership positions. Having been a technical expert who became a global leader, she has experienced many of the same hurdles that today's aspiring leaders face and is able to empower them with the confidence and necessary skills to succeed as they take on unfamiliar roles and responsibilities.
